Letter from

The President

Butch Burney
President/CEO
Hopkins County
Chamber of Commerce

Dear Future Chamber Partner,

Welcome to the Hopkins County business community! We, at the Hopkins County Chamber of Commerce, are always striving to make your business and personal experience as fulfilling as possible.

We have a variety of activities and programs to help you network, learn about professional opportunities and to promote your business, including quarterly Lunch and Learn programs, monthly Cocktails and Conversation mixers, ribbon cuttings, an annual directory, a Business of the Week, Chamber Connection, Friday email blasts from the Chamber, our annual Membership Banquet and other opportunities.

Of course, we also sponsor the World Championship Hopkins County Stew Contest, with about 7,000 visitors each year, and the annual Chamber Golf Tournament at the incredible Sulphur Springs Country Club.

As a native of Hopkins County, I have a vested interest in promoting our one-of-a-kind community and the people and businesses here. There is no question that Hopkins County is one of the best places to live, work and raise a family in Northeast Texas. Our mission at the Chamber is to continue to be a part of the character-driven local experience. We are fortunate to work side-by-side with local leaders who have contributed to our way of life and have a vision for an amazing future.

I sincerely thank our Board of Directors for leading the way in our activities and to our Ambassadors for working to promote our business community and Chamber. We all look forward to partnering with you to enrich Sulphur Springs and Hopkins County.
